

NEW WEBSITE IMORENDIMENTO WITH A NEW WEB IMAGE

Imorendimento has just finished remodeling it's website with a new layout, modern but most of all, dynamic.

Following the company's growth tendency, this website is now adjusted to the market demands and presents new areas and functions such as the "investment funds" area, where people can find organized information about the managed funds.

Displayed in a clear and objective way it is now possible to have an user frendly navigation.
